### CORE RETURN POLICY

To guarantee you are properly credited or refunded for your core(s), please fill out this sheet and return it with your core(s). BDE must receive core(s) or core charge payment prior to shipping your purchase. The customer is responsible for shipping costs. Package your core(s) sufficiently to prevent damage or loss during shipping. BDE will not be held responsible for cores lost or damaged due to improper packaging. BDE will issue a report within two business days of receiving the core(s) and note if they are deemed acceptable per the core guidelines listed below.

**ABSOLUTELY NO POWDER COATED OR CHROMED CORES WILL BE ACCEPTED!** Cores should not exhibit any external visible damage, excessive rust, or modifications from stock. Some repairable damage such as stripped bolt holes may be allowed at the discretion of BDE for an appropriate reduction of core credit/refund. Cores should be of the same type as was purchased. Please inform BDE prior to shipping your core(s) if it is damaged or it is not the same type as purchased and we will determine how to proceed.
